The logo is a circular emblem. It features a central stylized number '3' in white, set against a dark gray background. The '3' is surrounded by a complex, swirling pattern of dark gray and white shapes that resemble a camera aperture or a stylized flower. The entire design is enclosed within a thin black circular border. The text 'MPN CAPITAL MARKETS' is arched across the top, and 'YEAR OF ACHIEVEMENT' is arched across the bottom, both in a bold, sans-serif font.
